17th Annual Neonatal Perinatal Conference Cruise

Education & Rejuvenation

nurses always need:

everyday, nurses give

...the Ultimate Educational Experience!

Everyday Nurses Give

Nurses give to their patients. They give to their spouses and families. To deliver excellence in patient care, nurses need more than continuing education. Nurses need rejuvenation.

CE's At Sea combines the nursing industry's elite faculty with the stress-free, nurturing experience of an ocean cruise with colleagues.

No other conference delivers a more valuable combination of education, networking and rejuvenation.

**That's why CE's At Sea is
...the Ultimate Educational Experience!**

Please join us on our next Conference Cruise!

Enthusiastically,

Barbara

17th Annual Neonatal Perinatal Conference Cruise

Michelle Murray

PhD, RNC-OB

Dr. Michelle L. Murray is a 1975 graduate of the UCLA School of Nursing (BSN). She received her Master of Science degree in Nursing in 1981. Her PhD from the University of New Mexico is in instructional design and human resource development. Dr. Murray's research interests include how nurses learn fetal monitoring and conceptualize concepts such as late entries or hyper stimulation. She is certified in in-patient obstetrics and is licensed in Florida, California, and New Mexico. Dr. Murray has more than 30 years of experience in the practice of nursing. She also holds a clinical appointment at the University of New Mexico as an associate professor of nursing. In 1986 she created Learning Resources International Inc. (www.fetalmonitoring.com). She has written several books for obstetric nurses including her latest book Labor and Delivery Nursing: A Guide to Evidence-based Practice (© 2009).

Topics:

- NICHD...The Changing Tides
- Rough Seas...Functional Dystocia and Oxytocin
- Charting your Course for a Safe Passage
- Narrow Straits...Mechanical Dystocia and the Risk of Fetal Injury

...the Ultimate Educational Experience!

Dianne Charsha

RN, MSN, NNP-BN

Dianne acquired her BSN at Wilkes College in 1985. She completed her MSN at the University of Pennsylvania in 1986 specializing in perinatal nursing. In 1992, she acquired her Certified Registered Nurse Practitioner post graduate degree in neonatal nursing from the University of Pennsylvania. Dianne has worked in a variety of clinical settings including PICU, NICU, pediatrics, well nursery, women's health, and in obstetrics. She has been a MCH Clinical Nurse Specialist, a Neonatal Nurse Practitioner, a Nurse Practitioner Manager, and the Director of Neonatal Services and is now the Associate Chief Nursing Officer at Cooper University Hospital in Camden NJ. At Cooper, Dianne is responsible for the Children's Regional Hospital at Cooper along with Maternity Services, Medical-Surgical Nursing, Critical Care Nursing, ED, Trauma Services, the Respiratory Therapy Department, and numerous outpatient clinics. Dianne has presented numerous neonatal topics since 1988. She is the author of chapters, articles, and videos all with the goal of enhancing nursing knowledge.

Topics:

- Midline Head Position for the Extremely LBW Infant... During the 1st 96-hours of Life
- Radar Alert...Congenital Heart Defects
- Gentle Caring...For the Low Birth Weight Infant
- The Term Imposter...Late Preterm Infants
- The Crosswinds of ...Neonatal Respiratory Distress
- Exploring...Systemic Inflammatory Response Syndrome

"The conference was definitely on par...Meaty, yet not too in depth as to be difficult to understand and enjoy. Timely. Useful to everyday practice."

David Lambert NNP-BC
Jonesville, NC

Barbara Herrera

RNE, President/CEO

Founder of CE's At SEA in 1992, Ms. Herrera has 38 years of an expansive area of practice, ranging from NICU, PICU, ED, BMTU, OR, PACU, and, as time allows, practices bedside nursing at Children's Hospital Medical Center in Cincinnati, Ohio. Barb's presentation style, although humorous at times, will challenge you to think seriously about your personal life choices and decisions.

Topic:

Nurse Overboard?...

Nurturing the Nurturer Within

"Cindy Hill and I have been reflecting on the wonderful time we had...with friends we made on the cruise, with the wonderful info we gleaned, and the amazing self care time we had....we love ourselves...and you..."

Dodie Ness RNC
Chehalis, WA
